*Please note: Dentists who have signed participating agreements with Delta Dental of Kentucky agree to accept the Allowable Amount as payment in full for Covered Services as these terms are defined in the Certificate of Coverage. Each Covered Person is responsible for the amount of Coinsurance, Deductible and non-covered charges. Dentists who have not signed a participating agreement may bill you directly for any amount of their charge in excess of the Allowable Amount. In cases where the dentist's charges exceed the Allowable Amount, your coinsurance will be larger. Certain procedures require preauthorization and/or are subject to limitations.*

### Frequencies & Limitations

- » Oral exams (including evaluations by a specialist) are payable 2 times per benefit period. Limited oral evaluations for a specific problem or complaint are also payable 2 times in the same benefit period.
- » Prophylaxes (cleanings) are payable 2 times per benefit period. 2 additional periodontal maintenance procedures are payable per benefit period for individuals with a documented history of periodontal disease.
- » Full mouth debridement is payable 1 time per lifetime.
- » Fluoride treatments are payable 1 time per benefit period for people age 18 and under.
- » Space maintainers are payable 1 time per area once in a lifetime for people age 13 and under.
- » Bitewing X-rays are payable 1 time per benefit period and full mouth X-rays (which include bitewing X-rays) or panorex are payable 1 time in any 5-year period.
- » Sealants are payable 1 time per tooth per 2-year period for first and second permanent molars for people age 15 and under. The surface must be free from decay and restorations.
- » Payment for crowns, inlays, and onlays are payable 1 time per tooth in any 5-year period. Stainless steel crowns are payable 1 time per tooth in any 2-year period on primary teeth only.
- » Composite resin (white) restorations are optional treatment on posterior teeth.
- » Denture and/or bridge replacement is payable 5-years post initial placement. Replacement is not a Covered Service for lost or stolen dentures and/or bridges. Interim dentures are payable only for people under age 17 to replace extracted anterior permanent teeth.
- » Fixed bridges or removable cast partials are payable only for Eligible Dependents over age 16.
- » Porcelain and resin facings on bridges are payable on posterior teeth.
- » Implants are payable 1 time per tooth in any 5-year period. Implant related services are Covered Services.
- » Crowns over implants are payable 1 time per tooth in any 5-year period. Services related to crowns over implants are Covered Services.

*This Summary of Dental Plan Benefits should be read along with your Certificate. Your Certificate provides additional information about your Delta Dental plan, including information about plan exclusions and limitations. If a statement in this Summary conflict with a statement in the Certificate, the statement in this Summary applies to you and you should ignore the conflicting statement in the Certificate. The percentages above are applied to Delta Dental's allowance for each service and it may vary due to the dentist's network participation.\**
