

Need a fresh type 2 diabetes solution?

Level2 offers improvement beyond management.

We can see the challenge for self-insured employers.

Even with today's standalone disease management offerings, costs for many employers continue to climb.

Introducing the **Level2 Assured Value Program** by UnitedHealthcare: **The type 2 diabetes clinical model** focused on improvement with assured employer value.

*November 2024 internal analysis of all UHC members (commercial, M&R, CNS, UMR), aged 20-64, continuously enrolled in 2022 and 2023. PMPY costs included Medical + Rx costs.

For self-insured employers

The Level2 Assured Value Program is the type 2 solution that:

CLINICAL MODEL

- ✓ Offers clinical care that works to **improve type 2 diabetes beyond traditional management**
- ✓ Starts with a prescribed **continuous glucose monitor (CGM)** included in the program fee
- ✓ Combines ongoing CGM data and **provider-led care teams** to help members make meaningful change

EMPLOYER VALUE

- ✓ Assures value is generated with **100% of program fees reconciled** against clinical outcomes and actual medical & Rx claims*
- ✓ Offers employers flexibility with **ability to be added to most plans**

*Membership requirements apply.
