

## The Cincinnati Cancer Advisors Mission

The days following a cancer diagnosis can stir feelings of uncertainty, urgency and apprehension.

Cincinnati Cancer Advisor's mission is to lessen the misery and mortality that often accompanies a cancer diagnosis by helping to improve a patient's treatment plan.

## No Cost to Patients

Wherever you are on your cancer journey, we understand that wading through options, research and care can be overwhelming and expensive.

The experienced team at Cincinnati Cancer Advisors knows and understands many cancer types and can answer your questions. Our experts can provide unbiased in-depth research and recommendations.

Nationwide, second opinions frequently cost \$2,000 or more and are often not covered by insurance. As part of its 2020 Foresight program, Cincinnati Cancer Advisors will assume the cost of services that are uniquely available to patients in the Greater Cincinnati region.

## Financial Navigation

We've partnered with Patient Advocate Foundation to offer the Financial Navigation Program. This program represents our commitment to no-cost consultative oncology services to cancer patients in the Greater Cincinnati area.

Whether you need help understanding coverage options, finding resources for financial aid, or resolving issues with the insurance company, we are here to help.

### PROVIDING ASSISTANCE WITH:

- Benefit coordination
- Insurance and social program enrollment
- Insurance with pre-authorization, appeal support, and coding/billing issues navigation
- Financial burden reduction through charitable and community resources support
