

Download the Healthee app!

Manage your healthcare easily, know your costs upfront, and experience a truly personalized app.

All-in-One Access

Manage medical, dental, vision, ancillary and more in one place, no more jumping between carrier sites

Smarter healthcare shopping

Browse, compare, and select healthcare options as easily as booking a flight or shopping online

Personalized experience

AI-powered insights tailored to your health plan, needs, and preferences

Health & wellness

Access bi-monthly wellness webinars, fitness videos, stress relief techniques and more directly in the app

Your personal AI assistant

Zoe takes a proactive approach to your health, so that you can get the most out of your benefits

1

Register

app.healthee.com

(if you already have an account, no need to register again)

2
